The Comprehensive Literacy Curriculum

Fourth Edition

Learn effective **LANGUAGE!**® strategies from your home or office!

For more than 30 years, the Cambium Learning® family of companies has provided the best evidence-based solutions for meeting the needs of at-risk and special student populations. Now, through effective online learning, we truly prepare today's educators for success in the classroom.

The online training resources from Cambium Learning provide our teachers with excellent support to implement our adopted curriculum effectively, leading to improved achievement results with our students.

Why Online?

Flexibility	Teachers can choose where, when, and how they learn
Currency	The latest research and training methods, enabled by the latest technology
Interactivity	Educators share ideas and best practices with one another
Customization	District resources can be incorporated into courses for a tailored experience

We are pleased to present innovative online training options for the Fourth Edition of one of our most successful programs: *LANGUAGE! The Comprehensive Literacy Curriculum*. This training is:

- Led by national *LANGUAGE!* trainers
- Modeled after live training sessions
- Immediately applicable to the classroom
- Interactive and flexibly paced

Third Edition
online training
also available

Choose from three formats of *LANGUAGE!* Fourth Edition online training to ensure fidelity of implementation. As with live training, site-based coaching is critical to successful implementation.

1

Instructor-Facilitated Courses

Instructor-facilitated coursework takes place at the enrollee's convenience. The only scheduled time consists of optional Web chats led by an online trainer who acts as the course instructor—answering questions, monitoring the discussion board, and checking student progress. Participants have six weeks to complete the 25–30 hour training, and can interact directly with the trainer at any time.

This course covers all the essential concepts needed for new *LANGUAGE!* teachers, including:

- Materials overview
- The Six Steps
- Phonemic awareness drills
- Placement and assessment
- Planning a lesson
- Introducing *LANGUAGE!* to students
- Modeled classroom activities

The cost of the course is \$345 per participant. Each participant will need a complete *LANGUAGE!* Teacher/Training Resource Kit while working through the online course.

2

Self-Study Subscriptions

For teachers who have already received the initial *LANGUAGE!* training, we offer an online library of video presentations that can be accessed on demand. Participants benefit from having quizzes, activities, and links to related resources at their fingertips anytime.

Teachers have access to the course for one year from the date of purchase. The cost is \$69.95 per participant for a one-year subscription.

3

Custom District Courses

Cambium Learning offers many flexible online training options. Districts with more than 20 participants qualify for a Custom District Course that includes our \$2,500 customization package at no charge. The package features:

- Dedicated URL (example: districtname.cambiumlearning.com)
- Dedicated course
- Custom site banner and footer
- Dedicated folder for district content
- One local course administrator with access to reporting tools and the ability to upload district content

The cost is \$7,500 per Custom District Course (maximum of 40 participants). For more information, please contact Keri Stafford at keri.stafford@voyagerlearning.com or (800) 547-6747, ext. 232.
